January 27, 2017

Dear 8th Grade Parents:

With 8th grade graduation scheduled for May 18th, it's time to start fundraising for after-graduation activities. Last year the parents raised money to cover the cost of renting the Sports Plex in Paducah, pizza and drinks, and prizes to be given away. I believe they rented it from 9-11pm graduation night. This allowed students the opportunity to go home after graduation and celebrate with their families before coming to spend some time with their classmates. I believe the parents met to brainstorm ideas and then they gave some choices to the MJHS student council and students voted. They also involve students in designing an 8th grade t-shirt, of which the cost is covered.

The purpose of this letter is to notify you of the first meeting to bring you all together to discuss the graduation activities. The meeting will be held on February 2nd at 5pm in the MJHS library. We hope to see you there!

Sincerely,

Ms. Walker
Principal
